Dear Doctor:

Market Measures Interactive (MMI) is a healthcare market research firm providing information on new products and therapies to the leading pharmaceutical manufacturers. We invite you to participate in a new study being conducted *via the internet* that will request doctors to a potential new laparoscopic device for hernia repairs.

To participate, you must have access to the World Wide Web, as the interview will be conducted online. Those who agree to participate will be contacted via email when the study starts.

It's convenient! After you receive your invitation by email, just log-on to the website and answer a few brief questions to confirm your eligibility. Once qualified, you may complete the survey. No paper or disruptive telephone calls. You can complete the study day or night — in the privacy of your home or office!

The survey will be conducted in July and should take less than 15 minutes of your time. The results of this study are for market research purposes only. All responses will be kept in the strictest confidence. **After responses have been processed, you'll receive an honorarium of \$40 for your participation.**

To participate, simply complete the information below and fax it back to us *as soon as possible* to **800-816-6579**.

Thank you for helping us serve the healthcare community. If you have any questions, or wish to validate the legitimacy of this invitation, please call us at **800-844-8055** between 9am and 5pm EDT.

Sincerely,
Panel Director

Specialty (check one): 30 ☐ General Surgeon 99 ☐ Other _____

Email address (print clearly): _____ @ _____ . _____

Daytime telephone: (____) - _____ **Evening telephone:** (____) - _____

☐ **Yes, I'm interested in participating in future studies. Please send me material on becoming a member.**

If your name and/or address appear incorrectly at the top of the page, please mark the appropriate changes above.
